

WEB SERIES COMPETITION RULES.

BY REGISTERING TO SUBMIT A PROJECT FOR CONSIDERATION, YOU HEREBY ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTAND AND AGREE TO ALL OF THE FOLLOWING TERMS AND CONDITIONS (the "TERMS").

TELUS STORYHIVE ("TELUS") has developed a digital funding platform called "STORYHIVE" to award grant funding and distribution to local content creators, and support the creation of locally-produced programming available on TELUS Optik TV On Demand (via TELUS STORYHIVE / TELUS Community Television).

Through Phase 1 of this online competition (the "Competition"), participants ("Project Leads") submit a multi-media application for a Web Series Pilot (a "Project") and, with scheduled voting, compete to garner crowd support (i.e. votes) to be eligible for one of 30 available \$10,000 grants (from Alberta and British Columbia) from TELUS to produce their Project (the "Grant(s)" or the "Award(s)"). Finalists from Phase 1 of the Competition then move on to Phase 2 where they will compete for an additional \$50,000 CAD grant (one in each province), plus training and mentorship opportunities, and distribution on select TELUS platforms.

Projects Leads will retain the rights to their finished productions, including copyright.

This is a two (2) phase Competition for eligible Projects from British Columbia and Alberta (see "Eligibility" section below for details).

PHASE 1, August 21, 2017 – January 22, 2018

The 30 winning Projects as determined by a combination of voting results and jury verdict, will be announced within one (1) week at the end of the scheduled voting. Each of the winning Project Leads will then go on to the granting agreement process with TELUS to finalize their Grant and deliver their completed Project.

PHASE 2, February 5 – February 22, 2018

Phase 2 continues with the Top 15 Projects, per province, following full technical delivery of the web series pilots. The Top Projects, will be announced following the end of the scheduled voting and jury. The winning teams will once again go on to the granting agreement process with TELUS to claim their Top Award. This unique Competition empowers the community to support local content creation – connecting ideas, audiences and opportunities. It also encourages mentorship and skills development that will allow emerging artists to take their careers to the next level.
